

Cache Valley Figure Skating Club

September 2009

Dear Community Member,

The Cache Valley Figure Skating Club is a 501 (c)(3) organization designed to promote the amateur sport and art of figure skating and **we need your help!** Every year the club is required to provide our club skaters with at least one hour of ice time per week at the Eccles Ice Center. This ice time is mandated by the United States Figure Skating Association (USFSA). The annual cost of club ice is \$7500.

In years past we have relied heavily on our skaters (mostly the parents) to pay this cost as part of membership in the club. However, the cost of ice continues to increase, and with the additional pressures that many families are facing our membership growth hasn't been able to absorb that cost. This is where we need your help. As a club we would rather use the fees we collect to help enhance our members experience by offering more clinics, more activities and by lowering the cost of membership thus allowing more of our valley's youth to participate. However we cannot do that without your support.

In addition to competing, the CVFSC organizes **two Ice Shows** for our community. These shows allow our young skaters to showcase their talents to the valley and introduce ice skating to a new generation. Your support will allow more of our valley's youth to participate in a program that not only gives them exercise but also promotes greater self esteem and self worth. By becoming a sponsor you are ensuring that a young man or woman will be able to participate where right now, the costs prohibit some of the youth from participating. We as a club will make sure that your organization is recognized for your efforts. Your support is essential in the future development of ice skating in Cache Valley. Your support may very well be the means to allow one of our valley youth to someday reach the ultimate goal, participation on a national team and even the Olympics. We look forward to your support and appreciate your commitment to help our youth.

If you have any questions or want more information please feel free to call me at (435)232-9823 or visit our webpage at www.cvfscutah.org
